Celebrates its 40th Anniversary at the site of its first success:

## NORTH WALES

Citizens for Fauquier County

has its founding roots in the battle to save this magnificent estate  
from a development project of a scale almost impossible to imagine today—  
8,000 houses for 31,500 people!

The legacy of our success in preserving North Wales is one we all enjoy today,  
every day, in every corner of our beautiful Fauquier County.  
Come on, don your country duds and join us to celebrate our  
40th Anniversary right where it all began!
